

Adobe certification is an industry standard of excellence; it's the absolute best way to communicate your proficiency in leading products from Adobe. Whether you are a consultant, job seeker, or employee, becoming certified validates your knowledge.

Adobe software is the ultimate toolkit for today's designer. Adobe has grown to become a recognized software innovator and solution provider. Adobe software and services integrate with enterprise infrastructure, meet IT requirements, and scale cost effectively, enabling people and organizations to create engaging experiences.

Adobe Certified Associate - Demonstrates basic skills with Adobe Digital Media Software

An Adobe Certified Associate (ACA) credential certifies individuals have the entry-level skills to plan, design, build, and maintain effective communications using different forms of digital media. New Horizons provides training to prepare candidates to earn the following ACA Certifications:

- Visual Communications with Adobe Photoshop
- Rich Media Communication with Adobe Flash
- Web Communication with Adobe Dreamweaver

Adobe Certified Expert

An Adobe Certified Expert (ACE) is a person who has demonstrated professional-level proficiency with one or more Adobe software products. To become an ACE, you must pass one or more product-specific proficiency exams and agree to the ACE terms and conditions.

New Horizons provides training to prepare you for the ACE Certification Exam on the following:

- Adobe Acrobat 9 Professional
- Adobe Dreamweaver
- Adobe Flash
- Adobe Illustrator
- Adobe Illustrator
- Adobe Photoshop

ACE Specialist Certification - Recognizes proficiency in a specific medium: print, web, or video.

To become certified as an ACE Specialist, you must pass the current version of all required exams and any one elective within any given certification track. All exams must be the same version, for example, all CS4 or all CS5, to meet the requirements.

ACE Specialist	Required Exams	Elective Exams
Design Specialist	InDesign Acrobat	Photoshop Illustrator FrameMaker
Web Specialist	Dreamweaver Flash	Photoshop Illustrator Flex
Video Specialist	Photoshop Premiere Pro/Encore DVD/OnLocation	After Effects Flash

ACE Master - Recognizes skills with entire product suites.

To become certified as an ACE Master, you must pass the current exam for each of the products in the suite. All exams must be the same version, for example, all CS4 or all CS5, to meet the requirements.
